- D. Age of applicant. Licenses related to alcohol beverages shall only be granted to persons who have attained the legal drinking age.
- E. Corporate restrictions.
  - (1) No license or permit may be issued to any corporation unless the corporation meets the qualifications under § 125.04(a)1 and 4 and (b), Wis. Stats., unless the agent of the corporation appointed under § 125.04(6) and the officers and directors of the corporation meet the qualifications of § 125.04(a)1 and 3 and (b) and unless the agent of the corporation appointed under § 125.04(6) meets the qualification under § 125.04(a)2. The requirement that the corporation meet the qualifications under § 125.04(a)1 and (b) does not apply if the corporation has terminated its relationship with all of the individuals whose actions directly contributed to the conviction.
  - (2) Each corporate applicant shall file with its application for such license a statement by its officers showing the names and addresses of the persons who are stockholders, together with the amount of stock held by such person or persons. It shall be the duty of each corporate applicant and licensee to file with the Village Clerk-Treasurer a statement of transfers of stock within 48

hours after such transfer of stock.

- (3) Any license issued to a corporation may be revoked in the manner and under the procedure established in § 125.12, Wis. Stats., when more than 50% of the stock interest, legal or beneficial, in such corporation is held by any person or persons not eligible for a license under this article or under the state law.
- F. Sales tax qualification. All applicants for retail licenses shall provide proof, as required by § 77.61(11), Wis. Stats., that they are in good standing for sales tax purposes (i.e., hold a seller's permit) before they may be issued a license.
- G. Connecting premises. Except in the case of hotels, no person may hold both a "Class A" license and either a "Class B" license or permit, a Class "B" license or permit, or a "Class C" license for the same premises or for connecting premises. Except for hotels, if either type of license or permit is issued for the same or connecting premises already covered by the other type of license or permit, the license or permit last issued is void. If both licenses or permits are issued simultaneously, both are void.
- H. Limitations on other business in Class "B" premises. No Class "B" license or permit may be granted for any premises where any other business is conducted in connection with the premises, except that this restriction does not apply if the premises for which the Class "B" license or permit is issued is connected to premises where other business is conducted by a secondary doorway that serves as a safety exit and is not the primary entrance to the Class "B" premises. No other business may be conducted on premises operating under a Class "B" license or permit. These restrictions do not apply to any of the following:
- (1) A hotel.
  - (2) A restaurant, whether or not it is a part of or located in any mercantile establishment.

  - (6) A bowling alley or recreation premises.
  - (7) A club, society or lodge that has been in existence for six months or more prior to the date of filing an application for the Class "B" license or permit.

**§ 198-8. Investigation.**

The Village Clerk-Treasurer shall notify the Chief of Police, Fire Inspector and Building Inspector of each new application, and these officials shall inspect or cause to be inspected each application and the premises, together with such other investigation as shall be necessary to determine whether the applicant and the premises sought to be

licensed comply with the regulations, ordinances and laws applicable thereto, including those governing sanitation in restaurants, and whether the applicant is a proper recipient of a license. These officials shall furnish to the Village Clerk-Treasurer in writing, who shall forward to the Village Board, the information derived from such investigation, accompanied by a recommendation as to whether a license should be granted or refused. No license shall be renewed without a reinspection of the premises and report as originally required.

**§ 198-9. Action on application.**

- A. No license shall be granted for operation on any premises or with any equipment for which taxes, assessments, forfeitures or other financial claims of the Village are delinquent and unpaid.
- B. No license shall be issued unless the premises conform to the sanitary, safety and health requirements of the State Building Code and the regulations of the State Board of Health and local Board of Health applicable to restaurants. The premises must be properly lighted and ventilated, must be equipped with separate sanitary toilet and lavatory facilities equipped with running water for each sex and must conform to all ordinances of the Village.
- C. Consideration for the granting or denial of a license will be based on:
  - (1) The arrest and conviction record of the applicant, subject to the limitations imposed by §§ 111.321, 111.322, and 111.335, Wis. Stats.;
  - (2) The financial responsibility of the applicant;
  - (3) The appropriateness of the location and the premises where the licensed business is to be conducted; and
  - (4) Generally, the applicant's fitness for the trust to be reposed.
- D. An application may be denied based upon the applicant's arrest and conviction record if the applicant has been convicted of a felony (unless duly pardoned) or if the applicant has habitually been a law offender. For purposes of this licensing procedure, "habitually been a law offender" is generally considered to be an arrest or conviction of at least two offenses which are substantially related to the licensed activity within the five years immediately preceding the license application. Because a license is a privilege, the issuance of which is a right granted solely to the Village Board, the Village Board reserves the right to consider the severity and the facts and circumstances of the offense when making the determination to grant, deny or not renew a license. Further, the Board, at its discretion, may, based upon an arrest or conviction record of two or more offenses which are substantially related to the licensed activity within the five years immediately preceding, act to suspend such license for a period of one year or more.

**§ 198-10. Granting of license; notice of denial.**

- A. Opportunity shall be given by the governing body to any person to be heard for or

against the granting of any license. Upon the approval of the applicant by the Village Board, the Village Clerk-Treasurer shall issue to the applicant a license, upon payment by the applicant of the license fee to the Village.<sup>4</sup>

- B. If the Village Board denies the license, the applicant shall be notified in writing, by registered mail or personal service, of the reasons for the denial. The notice shall also inform the applicant of the opportunity to appear before the Village Board and to provide evidence as to why the denial should be reversed. In addition, the notice shall inform the applicant that the reconsideration of the application shall be held in closed session, pursuant to § 19.85(1)(b), Wis. Stats., unless the applicant requests such reconsideration be held in open session and the Village Board consents to the request. Such written notice shall be mailed or served upon the applicant at least 10 days prior to the Village Board meeting at which the application is to be reconsidered.

**§ 198-11. Transfer of license; agents for corporate license holders.**

- A. In accordance with the provisions of § 125.04(12), Wis. Stats., a license shall be transferable from one premises to another if such transfer is first approved by the Village Board. An application for transfer shall be made on a form furnished by the Village Clerk-Treasurer. Proceedings for such transfer shall be had in the same form and manner as the original application. The fee for such transfer shall be as prescribed in the Village Fee Schedule.<sup>5</sup> Whenever a license is transferred, the Village Clerk-Treasurer shall forthwith notify the Wisconsin Department of Revenue of such transfer. In the event of the sale of a business or business premises of the licensee, the purchaser of such business or business premises must apply to the Village for reissuance of said license, and the Village, as the licensing authority, shall in no way be bound to reissue said license to said subsequent purchaser.
- B. Whenever the agent of a corporate holder of a license is for any reason replaced, the licensee shall give the Village Clerk-Treasurer written notice of said replacement, the reasons therefor and the new appointment. Until the next regular meeting or special meeting of the Village Board, the successor agent shall have the authority to perform the functions and be charged with the duties of the original agent. However, said license shall cease to be in effect upon receipt by the Village Clerk-Treasurer of notice of disapproval of the successor agent by the Wisconsin Department of Revenue or other peace officer of the municipality in which the license was issued. The corporation's license shall not be in force after receipt of such notice or after a regular or special meeting of the Village Board until the successor agent or another qualified agent is appointed and approved by the Village.

All licenses shall be numbered in the order in which they are issued and shall state clearly the specific premises for which granted, the date of issuance, the fee paid and the name of the licensee.

**§ 198-13. Posting licenses; defacement.**

- A. Every person licensed in accordance with the provisions of this article shall immediately post such license and keep the same posted while in force in a conspicuous place in the room or place where said beverages are drawn or removed for service or sale.
- B. It shall be unlawful for any person to post such license or to be permitted to post it upon premises other than those mentioned in the application or knowingly to deface or destroy such license.

The applicant for such provisional license must present evidence to the Clerk-Treasurer establishing that the applicant is enrolled in an alcohol awareness training program established pursuant to § 125.17(6)(a), Wis. An applicant who is denied any license upon reconsideration of the matter may apply to Circuit Court pursuant to § 125.12(2)(d), Wis. Stats., for review.
- (4) Consideration for the granting or denial of a license will be based on the arrest and conviction record of the applicant, subject to the limitations imposed by §§ 111.321, 111.322, and 111.335, Wis. Stats.<sup>10</sup>

Further, the Village Board, at its discretion, may, based upon an arrest or conviction record of two or more offenses which are substantially related to the licensed activity within the five years immediately preceding, act to suspend such license for a period of one year or more.
