Remove past language and replace with:

C. Firearms in public

No person may go armed with a concealed weapon unless they have a valid permit issued by the State or are an authorized peace officer or a former peace officer duly authorized under Wis. S175.49. No person shall go armed with a concealed weapon at any of the following locations:

1. Any building or facility owned or operated by the Village of Hustisford including but not limited to Village Hall, Police Department, Hustisford Utilities, Fire Department, Department of Public Works, Wastewater Treatment Facility and Library.
2. Any privately owned building or facility where notice has been given under the provisions of Wis. S943.13
3. No person shall go armed with a weapon (concealed or not concealed) or a firearm other than a handgun at any of the following locations:
 - a. Any portion of a building that is a police station or municipal building that is restricted under provisions of Wis S175.60(16)
 - b. Any government building or facility that is posted under provisions of Wis S943.13
