CUSTOMER CHECKLIST

Review key steps with your customer to check eligibility and get started.

- Visit focusonenergy.com/utilities to confirm the customer's utility participates in Focus on Energy.
- Determine eligibility for Tier 1 or Tier 2 incentives. Customers may be eligible for the higher Tier 2 incentives if they are at or below the following income limits:
- To request Tier 2 incentives:
 - Submit the Income Eligibility Application and supporting documentation, and receive approval
 - Complete the qualifying improvements
 - Apply for incentives:
 - Whole Home Improvements:** Trade Ally applies the incentive as an instant discount
 - Heating and Cooling Improvements:** Submit incentive application within 60 days of project completion
- If the customer doesn't qualify for Tier 2 incentives, you can move right to completing qualifying improvements. There's no need to submit an Income Eligibility Application.
