## Sinissippi Recreation

We are excited to offer information to our community on the programs that are offered through the Sinissippi Recreation Department. We offer a variety of programs for the children in our community as well as the adults. Programs include athletic leagues, trips, workshops, camps, holiday celebrations, summer recreation and swimming lessons. Celebrations are partially funded by the municipalities of the Village of Hustisford, Township of Hustisford, and the Township of Hubbard. Because of this, we are able to keep the cost of our programs very low in comparison to other independent organizations and many times our programs are free to everyone in the community. If you have any questions or comments about any of our current programs or would like to let us know of any ideas for future programs we could offer, please call Glen, our director at 920.349.4527, or e-mail [sinissippirecreation@live.com](mailto:sinissippirecreation@live.com). We hope you take advantage of our fun and affordable programming!
