**Our Mission:** To preserve the rich heritage of Hustisford and the Greater Sinissippi Area

## *From the President's Desk:*

We need your help. What for...you might ask? Take a look at the three historical buildings in the park. The John Hustis House, the shoe shop and the doctor's office are all in need of exterior paint. The two small buildings, each over 100 years old, are original Main Street buildings. The house is the original that John Hustis built for his wife to entice her to move to Hustisford. These buildings are our heritage and we should keep them looking nice for our children and grandchildren. Here's where you come in. We need ideas as to what we can do to preserve these buildings – as the exterior paint only lasts two or three years. The buildings belong to all of us. Please come to our meeting at the Fire Station on September 13<sup>th</sup> at 7:00 P.M. and share your ideas.

## *Hustisford History ... News Notes from 1954*

May 13, 1954 – The interior of the Hustisford Firemen's Hall Bar has been remodeled and the dance hall has been enlarged by adding an addition to the hall on the south end, enough for a good sized stage. It sure is a worthwhile project.

June 3, 1954 – Ground was broken Friday for the office building to be erected for the Hustisford Farmer's Mutual Insurance Company this summer between the Dornfeld Barbershop and the Lake Hotel. [Can you guess where this building is?]

## Summer Pasta Salad

from Jeanne Malterer

1 cup pasta "O" rings  
2 cups cut up chicken, bite size  
1 cup chopped celery  
½ cup chopped onion

1 cup green or red grapes, halved  
¼ cup chopped pecans  
½ - ¾ cup Miracle Whip  
seasoning salt

Cook pasta in boiling water according to package directions. Drain, cool while cutting up other ingredients. Put everything in a large bowl. Makes 4 – 6 side servings. Easy and delicious!

### ***Pie and Ice Cream Sale at Dairy Day***

The Historical Society would like to thank our society members and the community for supporting the pie and ice cream sale in downtown Hustisford. The Dairy Day was put on by the downtown merchants. It was a great event and we were pleased that they invited us to participate – a first for the Historical Society! Each Society member provided 4 – 6 pies and we served about 6 pails of accompanying ice cream. We would love to do this again next year as it was a good fund raiser for the Historical Society! ☺

#### ***We have need of...***

...a refrigerator. The refreshment stand in the park has two small, dorm-type refrigerators for our use. While they work, they are woefully lacking in space for all the items we use. A regular refrigerator would allow us the space needed for condiments, meats, sodas, ice cream, toppings and all the other food items we use for serving. If you or someone you know would be willing to donate a refrigerator for our use, we would gladly appreciate it. Please contact Robert Scharnell at 920-349-3302 if you would be willing to donate. A reminder...

**Tax Exempt Status**

The Hustisford Historical Society is pleased to announce that our application for tax exempt status was approved. This means that contributions you make to us are tax deductible! In addition, our notification states: "You are also qualified to receive tax deductible bequests, devises, transfers or gifts...." If you have any questions regarding this status, please contact Robert Scharnell at 920-349-3302.
