Dear Village of Hustisford Resident,

Badgerland Disposal is proud to announce new curbside collection service for residents in the Village of Hustisford beginning the week of January 6th, 2020. Badgerland Disposal will provide recycling and refuse collection for all residents. Under the new curbside collection program each resident will receive a new 95-gallon poly-cart for their recyclables and a 95-gallon poly-cart for their trash. Residents may contact Badgerland to request 65 gallon carts if they prefer a smaller option, to be swapped out at our earliest availability. **All containers will be delivered by December 31st, 2019.**

Starting Monday, January 6th (do not use the containers prior to that date), please roll the containers to the end of the driveway on collection day. **Containers must be 3 feet apart & 3 feet from any obstruction**, walking between containers is a good rule of thumb. Or, place one container on the left side of the driveway and the other container on the right. Please remember: **Red lid = Recycle. Your collection day will be on Mondays. Feel free to contact us by calling 608-580-0580 or via email to townservice@badgerlanddisposal.com.**

COLLECTION PROGRAM GUIDELINES:

- Trash and recycling must be curbside by 6:00 a.m. on your designated collection day,
- All waste / recycling materials must be **INSIDE** of the carts, waste or bags outside of the carts will not be taken
- On holiday weeks we operate on a one-day delay,
- Carts remain the property of Badgerland Disposal. Residents will be required to pay for replacement carts if damages are due to negligence or abuse,
- Please do not take the containers if you move. You may label the containers with tape or removable decal, but do not write on or deface in any other way. The containers remain property of Badgerland.

Items that **CANNOT** be placed in the **trash** container: Dirt, sod, concrete, rock, construction or demolition debris, household hazardous waste, banned electronic waste, animal wastes, leaves, grass clippings, hot ashes or flammable materials such as oil, gas or paint, batteries, engine parts or tires.

SAFE USE AND CART CARE:

- Always have the lid closed to keep rain, snow and animals out,
- Use the handle provided to move the cart, tilt and roll,
- To clean, simply rinse with water and let dry in the sunlight with the lid open,
- Do not place any unacceptable materials in the cart.

BULKY ITEM SERVICE:

Badgerland Disposal will provide a bulky item pick-up service monthly. Each home is allowed ONE bulky item or two tires off the rim per month. Please email townservice@badgerlanddisposal.com or call 1-608-580-0580 to schedule this service if it is another day besides the scheduled monthly bulk day (fees associated). See calendar for specific dates of collection.

SERVICE CALENDAR:

Enclosed please find your service calendar which outlines a collection schedule. Trash will be picked up weekly and recycle will be picked up every other week. Please refer to the legend for recycling and bulky collection. Service dates are highlighted through color coding and circles (bulk day) on the calendar. A magnet version of the service calendar will be available for pickup at the Village Hall for residents who would like one.
